Hostilities in the Gaza Strip and Israel - reported impact | Day 114

29 Jan 2024

Day 114

OVERVIEW

The snapshot provides a comprehensive overview of the ongoing humanitarian crisis in Gaza as of 29 January 2024, including casualties, particularly among women and children.

Significant damage has been inflicted upon critical infrastructure and essential services, affecting people's ability to maintain their dignity and basic living standards.

This snapshot highlights reported figures on the impact of hostilities on people in Gaza, where a major humanitarian crisis has unfolded.

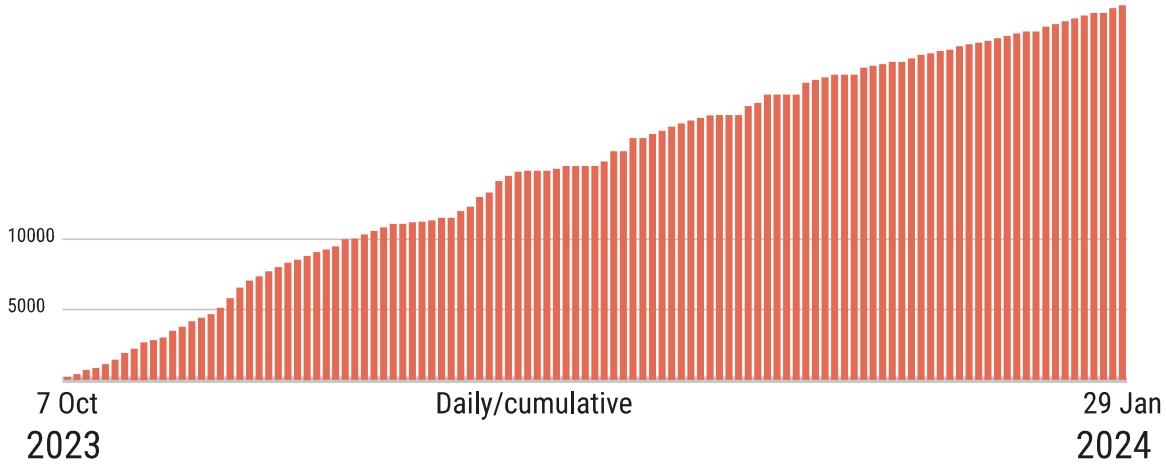
REPORTED CASUALTIES

(Cumulative) as of 29 January 2024

Palestinians*

26,637
Reported fatalities

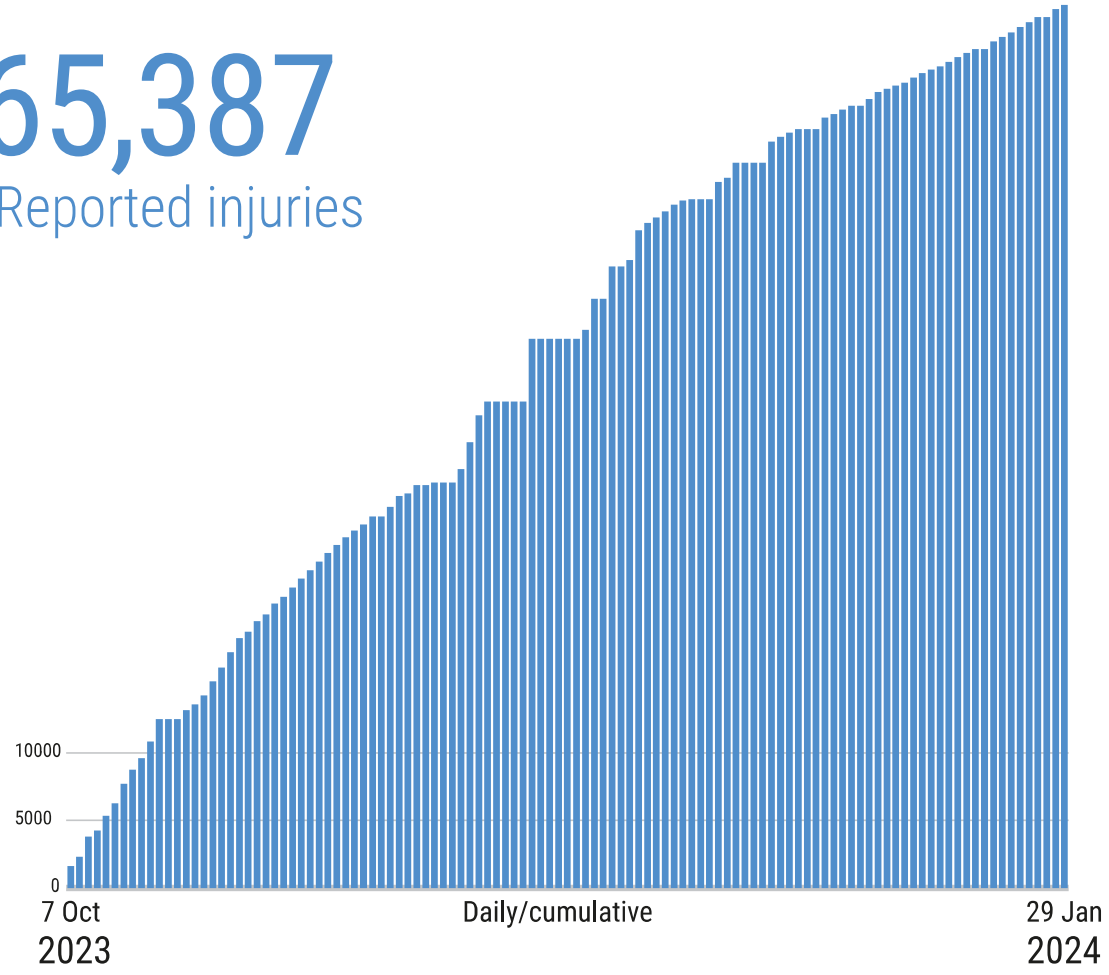
in addition to ~**1,000** fatalities in Israel, including people involved in the 7 October attack



**Source: MoH Gaza*

65,387

Reported injuries



Source: MoH Gaza

Israelis**

Israel

Over **1,200*** Reported fatalities

1,162 identified fatalities, including at least 33 children

~5,400 Reported injuries

Gaza

218 Reported fatalities

1,267 Reported injuries

136 hostages remain in Gaza (including soldiers and foreign nationals)

*** According to Israeli media citing official sources*

**** The reported estimate includes foreign nationals*

Damage

70,000+
Destroyed housing units

290,000+
Partially damaged housing units

- Over **60%** of Gaza's housing units reportedly destroyed or damaged
- **378** education facilities reportedly damaged
- **11** bakeries reportedly destroyed
- **122** ambulances damaged

  20 WASH facilities damaged

  At least **3** churches and **161** mosques damaged

FOOD SECURITY*

- **2.2 million** people at imminent risk of famine
- **378,000** people at Phase 5 (catastrophic levels) Phase 5 refers to extreme lack of food, starvation, and exhaustion of coping capacities.
- **939,000** people at Phase 4 (emergency levels)

**Source: IPC, 21 December*

WATER AND SANITATION

- **One** out of the three water pipelines coming from Israel is operational.
- **No Access** to clean water in the northern governorates. Fuel shortage impacts: 60 water wells, 2 desalination plants, sewage stations and pumps, wastewater treatment.

HEALTH

- Hospitals are under heavy strikes.
- **14** of Gaza's **36** hospitals are partially functional: 7 in the south and 7 in the north.

At high risk

At least **1,000** kidney failure, >**2,000** cancer patients, **130** neonates in incubators.

Critical shortages

of drugs, blood products and supplies
(**Fuel at the hospitals is being severely rationed**).

EDUCATION

625K (100%) Students with no access to education.

90% of all school buildings have sustained significant damage.

HUMANITARIAN OPERATION

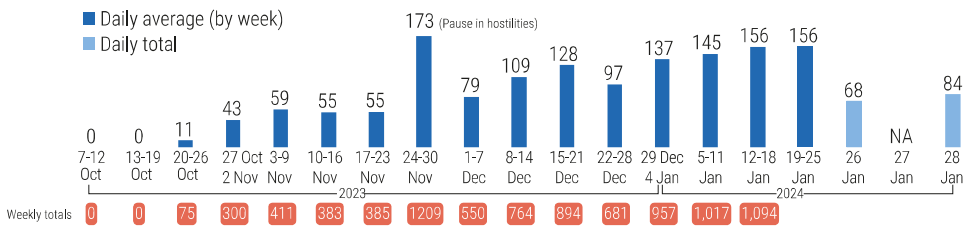
- **154** UN staff killed:
  UNRWA: **152**; WHO: **1**; UNDP: **1**
- At least **337** health workers killed
- **45** Civil Defence killed while on duty
- **119** Journalists killed

MOVEMENT AND ACCESS

- Civilian access to areas to the north of Wadi Gaza is only possible to humanitarian teams; however, of 51 missions to deliver humanitarian aid planned for the north of Wadi Gaza on 1-25 January, only eight were facilitated by the Israeli military while 29 were denied access. In the first two weeks of 2024 the Israeli military denied the access of more than 75 per cent of missions planned to those areas.
- The Rafah crossing with Egypt and the Kerem Shalom crossing with Israel are open for the entry of approved goods.
- The Rafah crossing is also open for the movement of some wounded and sick people from Gaza to Egypt , and aid workers into and out of Gaza.
- Access to the sea and to areas near Israel's perimeter fence is prohibited.

INCOMING TRUCKLOADS

The pre-crisis average per working day in 2023 was **500 truckloads, including fuel.**



Disclaimer: The UN has so far not been able to produce independent, comprehensive, and verified casualty figures; the current numbers have been provided by the Ministry of Health or the Government Media Office in Gaza and the Israeli authorities and await further verification. Other yet-to-be verified figures are also sourced.

- **13** of Gaza's **36** hospitals are partially functional: 6 in the south and 7 in the north.

At high risk

At least **1,000** kidney failure, >**2,000** cancer patients, **130** neonates in incubators.

Critical shortages

of drugs, blood products and supplies
(**Fuel at the hospitals is being severely rationed**).

EDUCATION

625K (100%) Students with no access to education.

90% of all school buildings have sustained significant damage.

HUMANITARIAN OPERATION

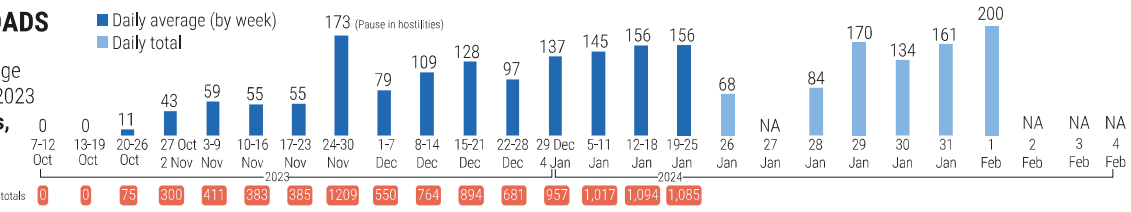
- **154** UN staff killed:
  UNRWA: **152**; WHO: **1**; UNDP: **1**
- At least **339** health workers killed
- **46** Civil Defence killed while on duty
- **122** Journalists killed

MOVEMENT AND ACCESS

- Civilian access to areas to the north of Wadi Gaza is only possible for humanitarian teams. In January 2024, 61 missions were planned to deliver humanitarian aid for the north of Wadi Gaza: 10 (16%) were facilitated by the Israeli military; 2 (3%) were partially facilitated; 9 (15%) were initially facilitated but subsequently impeded; 34 (56%) were denied access; and six (10%) were postponed by aid organizations due to internal operational constraints.
- The Rafah crossing with Egypt and the Kerem Shalom crossing with Israel are open for the entry of approved goods.
- The Rafah crossing is also open for the movement of some wounded and sick people from Gaza to Egypt , and aid workers into and out of Gaza.
- Access to the sea and to areas near Israel's perimeter fence is prohibited.

INCOMING TRUCKLOADS

The pre-crisis average per working day in 2023 was **500 truckloads, including fuel.**



Disclaimer: The UN has so far not been able to produce independent, comprehensive, and verified casualty figures; the current numbers have been provided by the Ministry of Health or the Government Media Office in Gaza and the Israeli authorities and await further verification. Other yet-to-be verified figures are also sourced.

Hostilities in the Gaza Strip and Israel - reported impact | Day 121

05 Feb 2024

Day 121

OVERVIEW

The snapshot provides a comprehensive overview of the ongoing humanitarian crisis in Gaza as of 5 February 2024, including casualties, particularly among women and children.

Significant damage has been inflicted upon critical infrastructure and essential services, affecting people's ability to maintain their dignity and basic living standards.

This snapshot highlights reported figures on the impact of hostilities on people in Gaza, where a major humanitarian crisis has unfolded.

- **20** WASH facilities.
- At least **3** churches and **184** mosques.

**GMO as of 11 Feb*

PROTECTION

>1 million children in need of mental health

and psycho-social support.

FOOD SECURITY*

- **2.2 million** people at imminent risk of famine.
- **378,000** people at Phase 5 (catastrophic levels) Phase 5 refers to extreme lack of food, starvation, and exhaustion of coping capacities.
- **939,000** people at Phase 4 (emergency levels).

**Source: IPC, 21 December*

WATER AND SANITATION

- **One** out of the three water pipelines coming from Israel is operational.
- **No Access** to clean water in the northern governorates. Fuel shortage impacts: 60 water wells, 2 desalination plants, sewage stations and pumps, wastewater treatment.

HEALTH

- **11** hospitals partially functioning (5 in north of wadi Gaza and 6 in south of wadi Gaza), 3 hospitals functioning at minimal capacity; 22 hospitals not functioning.
- **17%** of Primary Healthcare Centres are currently functional.
- **12** Emergency Medical Teams (EMTs) and 3 field hospitals are currently operational.
- **>200,000** cases of acute respiratory infections recorded.

EDUCATION

- **625K** (100%) Students with no access to education.
- **>4,660** students and 239 educational staff have been killed (MoE).
- **~92%** of all school buildings used as shelters and/or have sustained damage.
- **~140** schools sustained major damage or were fully destroyed.

HUMANITARIAN OPERATION

- **158** UN staff killed:

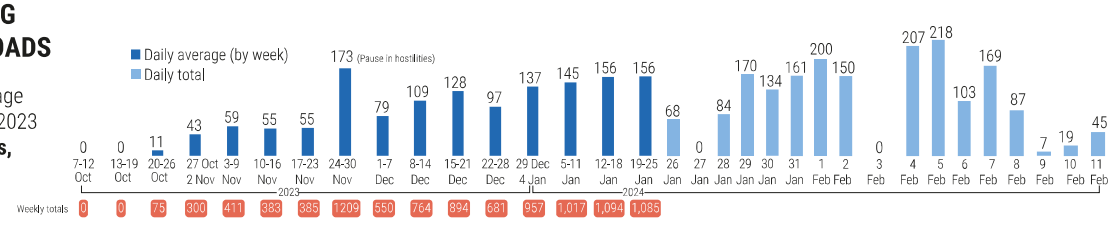
  UNRWA: **156**; WHO: **1**; UNDP: **1**
- At least **340** health workers killed.
- **46** Civil Defence killed while on duty.
- **124** journalists and media workers killed.

MOVEMENT AND ACCESS

- Between 1 January and 12 February 2024, **51%** of aid missions planned for the north of Wadi Gaza and **25%** of those planned for the areas requiring coordination south of Wadi Gaza were denied access by the Israeli military.
- **>1,200** medical cases evacuated through Rafah and **>8,000** cases in need of medical evacuation.
- The Rafah crossing with Egypt and the Kerem Shalom crossing with Israel are open for the entry of approved goods.
- The Rafah crossing is also open for the movement of some wounded and sick people from Gaza to Egypt, and aid workers into and out of Gaza.
- Access to the sea and to areas near Israel's perimeter fence is prohibited.

INCOMING TRUCKLOADS

The pre-crisis average per working day in 2023 was **500 truckloads, including fuel.**



Disclaimer: The UN has so far not been able to produce independent, comprehensive, and verified casualty figures; the current numbers have been provided by the Ministry of Health or the Government Media Office in Gaza and the Israeli authorities and await further verification. Other yet-to-be verified figures are also sourced.

Hostilities in the Gaza Strip and Israel - reported impact | Day 129

13 Feb 2024

Day 129

OVERVIEW

The snapshot provides a comprehensive overview of the ongoing humanitarian crisis in Gaza as of 13 February 2024, including casualties, particularly among women and children.

Significant damage has been inflicted upon critical infrastructure and essential services, affecting people's ability to maintain their dignity and basic living standards.

This snapshot highlights reported figures on the impact of hostilities on people in Gaza, where a major humanitarian crisis has unfolded.

Gaza****

252 Reported fatalities

1,523 Reported injuries

134 hostages remain in Gaza

** *According to Israeli media citing official sources*

***This includes fatalities on 7 October and the immediate aftermath, including foreign nationals.*

****The reported Israeli casualties are soldiers killed or injured since the start of the ground operation.*

HEALTH

- **10** hospitals partially functioning (4 in north & 6 south of Wadi Gaza).
- **24** hospitals are out of service & **2** minimally functional.
- **2 out of 3** field hospitals are fully functional.
- **~24%** of primary health care facilities are functional.
- **>500,000** cases of acute respiratory infections.
- **>290,000** cases of diarrhea.
- **17** Emergency Medical Teams (EMTs) are operational.
- **33%** (8 out of 24) of UNRWA health centers are operational.

NUTRITION

- **31** people, including **27** children, died of malnutrition & dehydration (source: MoH Gaza).
- **~31%** of children under the age of two in northern Gaza suffer from acute malnutrition.
- **~10%** of children under the age of two in Rafah suffer from acute malnutrition.
- **>50,000** children are estimated to be acutely malnourished at present.

EDUCATION

- **625,000** students with no access to education.
- **5,479** students and **261** teachers have been killed.
- **80%** of UNRWA and public schools sustained damage (396 out of 495).

PROTECTION

- **~1.7 million** internally displaced persons (IDPs).

- **>1 million children** in need of mental health and psycho-social support.
- **~17,000** children are unaccompanied or separated.
- **125** journalists and media workers killed, including **15**

FOOD SECURITY*

- **265K** people facing crisis levels of food insecurity *(IPC Phase 3)*.
- **854K** people facing emergency levels of food insecurity *(IPC Phase 4)*.
- **1.1 million** people facing catastrophic levels of food insecurity *(IPC Phase 5)*.
- **60-70%** of meat and dairy-producing livestock killed or prematurely slaughtered (source: FAO).

* Source: IPC projection for 16 March - 15 July 2024

WATER AND SANITATION

- **One out of three** water pipelines coming from Israel is operational, only at 70% of its full capacity.
- **83%** of groundwater wells are not operating.
- **All** wastewater treatment systems are non-operational; one of them is partially working.
- **No access** to clean water in the northern governorates.
- **Two out of three** main water desalination plants are partially functional.
- **~57%** of assessed WASH facilities damaged/destroyed.

REPORTED DAMAGE

- **>70,000** housing units destroyed (source: GMO).
- **At least 3** churches and **227** mosques (source: GMO).
- **155** health facilities (source: MoH Gaza).
- **161** UNRWA installations (source: UNRWA).
- **126** ambulances (source: MoH Gaza).
- **16** PRCS ambulances rendered out of service and more than 20 damaged (source: PRCS).

SHELTER

- **1 square metre** of average space per person in IDP shelters.
- **41%** of shelters lack sufficient ventilation.
- **57%** of shelters affected by rain and water infiltration.
- **150-155** UNRWA installations shelter IDPs.

HUMANITARIAN OPERATION

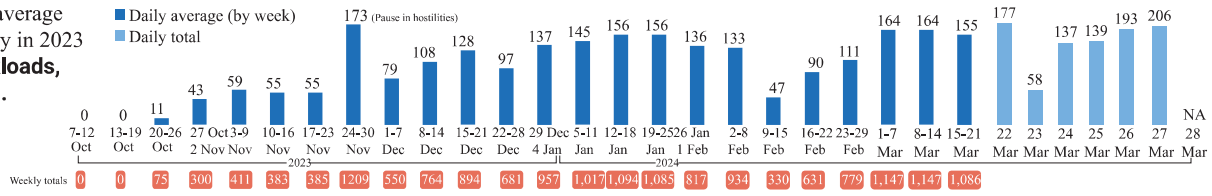
- **174** UN staff killed:
  UNRWA: **171**; WHO: **1**; UNDP: **1**; UNOPS: **1**
- **348** health workers killed (source: MoH Gaza).
- **48** Civil Defence killed while on duty (source: GMO).
- **15** PRCS staff and volunteers killed, 30 injured, and 8 detained (source: PRCS).

MOVEMENT AND ACCESS

- Between 1 and 29 March, **28** humanitarian aid missions to northern Gaza were facilitated by the Israeli authorities, one was initially facilitated but later impeded, **18** were denied, and **13** were postponed or withdrawn.
- Between 1 and 29 March, **150** humanitarian aid missions to areas in southern Gaza that require coordination were facilitated by the Israeli authorities, **19** were denied, and **18** were postponed or withdrawn.
- **>8,000** patients are currently on the waiting list for medical referral abroad.
- **2,613** medical referrals abroad, including 1,698 wounded and 915 ill, along with 1,785 companions (source: WHO).

INCOMING TRUCKLOADS

The pre-crisis average per working day in 2023 was **500 truckloads, including fuel.**



Disclaimer: The UN has so far not been able to produce independent, comprehensive, and verified casualty figures; the current numbers have been provided by the Ministry of Health or the Government Media Office in Gaza and the Israeli authorities and await further verification. Other yet-to-be verified figures are also sourced.

- **>80%** (464 out of 563) of school buildings damaged, including 38% directly hit.
- **59%** (188) of school buildings used as IDP shelters have been directly hit or damaged.

SHELTER

- **1 square metre** of average space per person in IDP shelters.
- **41%** of shelters lack sufficient ventilation.

FOOD SECURITY*

- **265K** people facing crisis levels of food insecurity *(IPC Phase 3)*.
- **854K** people facing emergency levels of food insecurity *(IPC Phase 4)*.
- **1.1 million** people facing catastrophic levels of food insecurity *(IPC Phase 5)*.
- **60-70%** of meat and dairy-producing livestock killed or prematurely slaughtered (source: FAO).

* Source: IPC projection for 16 March - 15 July 2024

WATER AND SANITATION

- **One out of three** water pipelines coming from Israel is operational, only at 72% of its full capacity.
- **83%** of groundwater wells are not operating.
- **All** wastewater treatment systems are non-operational; one of them is partially working.
- **No access** to clean water in the northern governorates.
- **Two out of three** main water desalination plants are partially functional.
- **~57%** of assessed WASH facilities damaged/destroyed.

PROTECTION

- **~1.7 million** internally displaced persons (IDPs).
- **>1 million children** in need of mental health and psycho-social support.
- **~17,000** children are unaccompanied or separated.
- **At least 244** aid workers killed (238 nationals, 6 foreigners), including:
  - **181** UN staff - UNRWA: 178; WHO: 1; UNDP: 1; UNOPS: 1
  - **27** PRCS staff and volunteers, including 17 while on duty.
  - **At least 36** other aid workers.
- **490** health workers killed, including at least 15 also counted under aid workers above (source: MoH Gaza).
- **66** Civil Defence staff killed while on duty (source: GMO).
- **140** journalists and media workers killed (source: GMO).

REPORTED DAMAGE

- **>60%** of residential buildings (World Bank, as of Jan 2024).
- **>80%** of commercial facilities (World Bank, as of Jan 2024).
- **At least 3** churches and **233** mosques destroyed (source: GMO).
- **155** health facilities (source: MoH Gaza).
- **161** UNRWA installations (source: UNRWA).
- **126** ambulances (source: MoH Gaza).

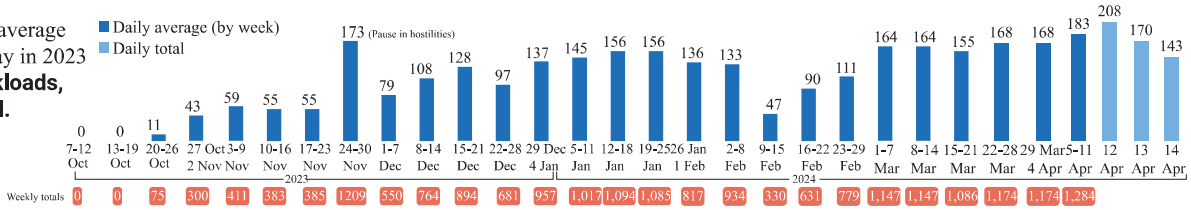
MOVEMENT AND ACCESS

- In March, **30** humanitarian aid missions to northern Gaza were facilitated by the Israeli authorities, **22** were denied, and **13** were postponed or withdrawn. Moreover, **161** aid missions to areas in southern Gaza that require coordination were facilitated by the Israeli authorities, **19** were denied, and **18** were postponed or withdrawn.

- **47%** (4,416 out of 9,389) of patients who submitted requests for medical evacuation have been approved, of whom **80%** (3,529) were medically evacuated abroad (source: WHO).

INCOMING TRUCKLOADS

The pre-crisis average per working day in 2023 was **500 truckloads, including fuel.**



Disclaimer: The UN has so far not been able to produce independent, comprehensive, and verified casualty figures; the current numbers have been provided by the Ministry of Health or the Government Media Office in Gaza and the Israeli authorities and await further verification. Other yet-to-be verified figures are also sourced.

  - **183** UN staff - UNRWA: 180; WHO: 1; UNDP: 1; UNOPS: 1
  - **27** PRCS staff and volunteers, including 17 while on duty.
  - At least **41** other aid workers.
- **490** health workers killed, including at least 15 also counted under aid workers above (source: MoH Gaza).
- **67** Civil Defence staff killed while on duty (source: GMO).
- **140** journalists and media workers killed (source: GMO).

REPORTED DAMAGE

- **>60%** of residential buildings (World Bank, as of Jan 2024).
- **>80%** of commercial facilities (World Bank, as of Jan 2024).
- **At least 3** churches and **239** mosques destroyed (source: GMO).
- **155** health facilities (source: MoH Gaza).
- **164** UNRWA installations (source: UNRWA).
- **126** ambulances (source: MoH Gaza).

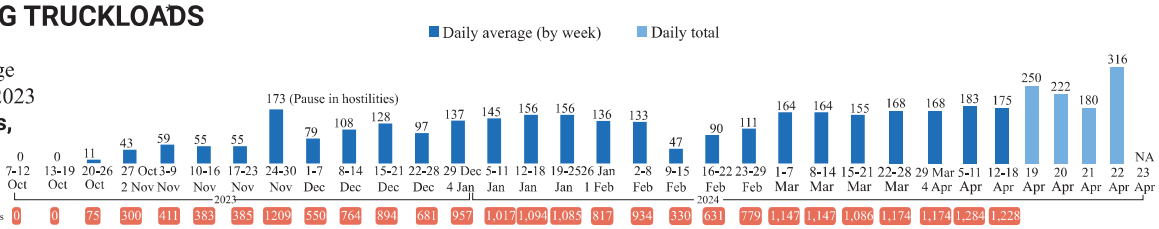
MOVEMENT AND ACCESS

- Between 1-24 April, **39** humanitarian aid missions to northern Gaza were facilitated by the Israeli authorities, **24** were denied or impeded, and **5** were cancelled due to logistical constraints. Moreover, **125** aid missions to areas in southern Gaza that require coordination were facilitated by the Israeli authorities, **20** were denied or impeded, and **15** were cancelled.

- **54%** (5,263 out of 9,817) of patients who submitted requests for medical evacuation have been approved, of whom **82%** (4,325) have been medically evacuated abroad (source: WHO).

INCOMING TRUCKLOADS

The pre-crisis average per working day in 2023 was **500 truckloads, including fuel.**



**Supplies observed or registered by the UN as entering through Kerem Shalom or Rafah. Other incoming supplies are not currently captured.*

Disclaimer: The UN has so far not been able to produce independent, comprehensive, and verified casualty figures; the current numbers have been provided by the Ministry of Health or the Government Media Office in Gaza and the Israeli authorities and await further verification. Other yet-to-be verified figures are also sourced.

- **>410,000** cases of acute watery diarrhea (source: WHO).
- **20** Emergency Medical Teams (EMTs) deployed, including 2 in northern Gaza.
- **33%** (8 out of 24) of UNRWA health centres are operational.

NUTRITION

- **~31%** of children under the age of two in northern Gaza suffer from acute malnutrition.
- **~10%** of children under the age of two in Rafah suffer from acute malnutrition.
- **>50,000** children are estimated to be acutely malnourished at present.
- **1,125** children hospitalized for the treatment of Severe Acute Malnutrition (source: UNICEF, as of 30 April).

EDUCATION

- **625,000** students with no access to education.
- **>6,400** students and 300 educational staff killed (source: MoE, as of 7 May 2024).
- **~73%** (408 out of 563) of school buildings were directly hit or damaged, of which **29%** were UNRWA schools.
- **~60%** (320 out of 563) of schools buildings have served as IDP shelters, of which **65%** were directly hit or damaged

shelters, of which **65%** were directly hit or damaged.

SHELTER

- **1 square metre** of average space per person in IDP shelters.

FOOD SECURITY

- **265K** people facing crisis levels of food insecurity *(IPC Phase 3).**
- **854K** people facing emergency levels of food insecurity *(IPC Phase 4).**
- **1.1 million** people facing catastrophic levels of food insecurity *(IPC Phase 5).**
- **60-70%** of meat and dairy-producing livestock killed or prematurely slaughtered (source: FAO).

* Source: IPC projection for 16 March - 15 July 2024

WATER AND SANITATION

- **Three** water pipelines coming from Israel are partially operational, providing about 1,650 m^3 per hour.
- **83%** of groundwater wells are not operating.
- **Two of three** main water desalination plants are partially functional.
- **~57%** of assessed WASH facilities damaged/destroyed.
- **~270,000** tons of accumulated solid waste (source: Union of Gaza Strip Municipalities).

PROTECTION

- **~1.7 million** internally displaced persons (IDPs).
- **>1 million children** in need of mental health and psycho-social support.
- **~17,000** children are unaccompanied or separated.
- At least **260** aid workers killed (254 nationals, 6 foreigners), including:
  - **191** UN staff - UNRWA: 188; WHO: 1; UNDP: 1; UNOPS: 1
  - **27** PRCS staff and volunteers, including 17 while on duty.
  - At least **42** other aid workers.
- **493** health workers killed, including at least 15 also counted under aid workers above (source: MoH Gaza).
- **69** Civil Defence staff killed while on duty (source: PCD).
- **143** journalists and media workers killed (source: GMO).

REPORTED DAMAGE

- **>60%** of residential buildings (source: World Bank, as of Jan 2024).
- **>80%** of commercial facilities (source: World Bank, as of Jan 2024).
- **At least 3** churches and **243** mosques destroyed (source: GMO).
- **155** health facilities (source: MoH Gaza).
- **169** UNRWA installations (source: UNRWA).
- **130** ambulances (source: MoH Gaza).

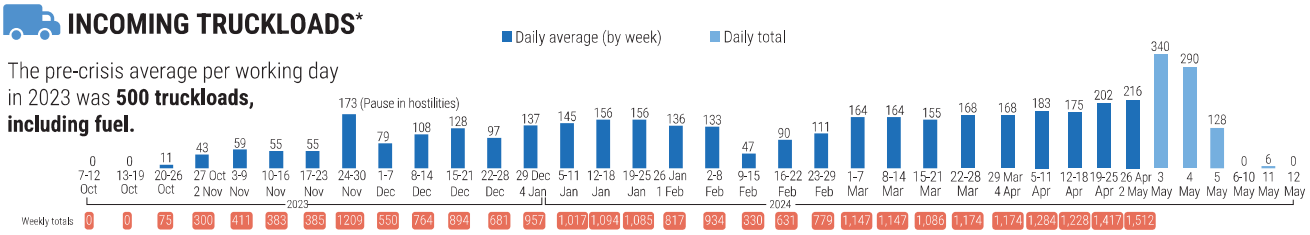
MOVEMENT AND ACCESS

- Between 1 and 9 May, **9** humanitarian aid missions to northern Gaza were facilitated by the Israeli authorities, **5** were denied, **11** were impeded, and **7** were cancelled due to logistical constraints. Moreover, **25** aid missions to areas in southern Gaza that require coordination were facilitated by the Israeli authorities, **9** were denied, **3** were impeded, and **9** were cancelled.

- **58%** (5,857 out of 10,175) of critical patients who submitted requests for medical evacuation have been approved, of whom **83%** (4,843) have been medically evacuated abroad. (source: WHO, as of 6 May).

INCOMING TRUCKLOADS*

The pre-crisis average per working day in 2023 was **500 truckloads, including fuel.**



*Supplies observed or registered by the UN as entering through Kerem Shalom or Rafah. Other incoming supplies are not currently captured.

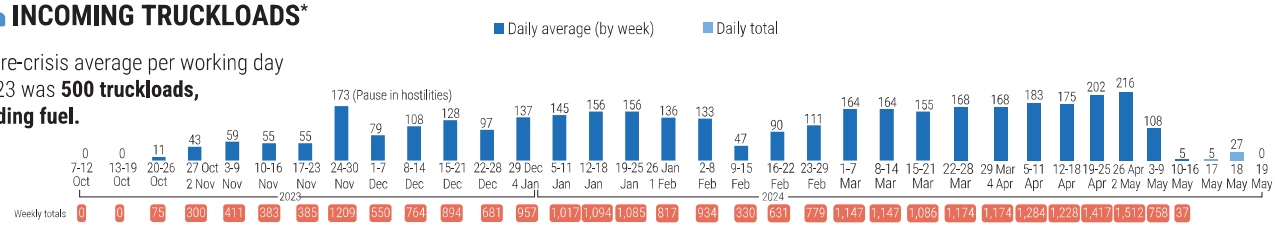
As of the time of reporting, the status of **two** missions to northern Gaza and **two** in southern Gaza remains unclear.
- **46%** (**5,957** out of **12,761**) of critical patients who submitted requests for medical evacuation have been approved; these include **38%** (**4,895**) who have been medically evacuated abroad. An estimated **700** patients (an average of 50 per day) have not been evacuated since the closure of Rafah Crossing, placing further stress on Gaza's few remaining health facilities (WHO, as of 18 May).

INCOMING TRUCKLOADS*

The pre-crisis average per working day in 2023 was **500 truckloads, including fuel.**



Supplies observed or registered by the UN as entering through Kerem Shalom or Rafah Crossings. Limited supplies entering via other routes are not currently captured.

Hostilities in the Gaza Strip and Israel - reported impact | Day 231

24 May 2024

Disclaimer: Figures that are yet-to-be verified by the UN are attributed to their source. Casualty numbers have been provided by the Ministry of Health (MoH) or the Government Media Office (GMO) in Gaza and the Israeli authorities. Previous data breakdowns provided in this snapshot of women and children killed were attributed to the GMO based on reported fatalities. The fatality breakdowns currently cited are those that the MoH in Gaza has recently fully identified out of the higher number of casualties they report.

1,781 Reported injuries

estimated 125 hostages remain in Gaza

** *According to Israeli media citing official sources*

*** *This includes fatalities on 7 October and the immediate aftermath, including foreign nationals.*

**** *The reported Israeli casualties are soldiers killed or injured since the start of the ground operation.*

HEALTH*

- **15** partially functional hospitals (1 in North Gaza, 6 in Gaza, 3 in Deir Al Balah, 3 Khan Younis, 2 in Rafah).
- **21** hospitals are out of service.
- **6** field hospitals functional (1 in Deir Al Balah, 2 in Khan Younis, 3 in Rafah).
- **65%** of primary health care centers not functional (60 out of 93).
- **~800,000** cases of acute respiratory infections (as of 5 May).
- **~ 442,000** cases of diarrhea, including 111,070 children under 5 (as of 5 May).
- **14** Emergency Medical Teams (EMTs) deployed, with no teams in northern Gaza.
- **29%** (7 out of 24) UNRWA health centres were operational. (source: UNRWA, as of 19 May).

**Source: WHO, unless otherwise noted*

NUTRITION*

- **~31%** of children under the age of two in northern Gaza suffer from acute malnutrition.
- **~10%** of children under the age of two in Rafah suffer from acute malnutrition.
- **>50,000** children are estimated to be acutely malnourished at present.

**Source: Nutrition Cluster*

EDUCATION*

- **625,000** students with no access to education.
- **>6,500** students and 301 educational staff killed (source: MoE, as of 14 May 2024)
- **85.8%** of schools buildings have sustained some level of damage.
- **~60%** (320 out of 563) of schools buildings have served as IDP

shelters, of which **65%** were directly hit or damaged.

**Source: Education Cluster, unless otherwise noted*

SHELTER*

- **1 square metre** of average space per person in IDP shelters.
- **41%** of shelters lack sufficient ventilation.
- **57%** of shelters affected by rain and water infiltration.

**Source: Shelter Cluster*

FOOD SECURITY

- **265K** people facing crisis levels of food insecurity *(IPC Phase 3).**
- **854K** people facing emergency levels of food insecurity *(IPC Phase 4).**
- **1.1 million** people facing catastrophic levels of food insecurity *(IPC Phase 5).**
- **60-70%** of meat and dairy-producing livestock killed or prematurely slaughtered (source: FAO).

** Source: IPC projection for 16 March - 15 July 2024*

WATER AND SANITATION*

- **Three** water pipelines coming from Israel are partially operational, providing 31,200 m3 per day.
- **~60%** of assessed WASH infrastructure destroyed or damaged.
- **Two of three** main water desalination plants are partially functional.
- **~270,000** tons of accumulated solid waste (source: Union of Gaza Strip Municipalities).

**Source: WASH Cluster, unless otherwise noted*

PROTECTION

- **~1.7 million** internally displaced persons, (source: UNRWA).
- **>1 million children** in need of mental health and psycho-social support, (source: UNICEF).
- **~17,000** children are unaccompanied or separated, (source: UNICEF).
- At least **264** aid workers killed (257 nationals, 7 foreigners), including:
  - **193** UN staff - UNRWA: 189; WHO: 1; UNDP: 1; UNOPS: 1; UNDSS: 1.
  - **29** PRCS staff and volunteers, including 17 while on duty.
  - At least **42** other aid workers.
- **493** health workers killed, including at least 15 also counted under aid workers above (source: MoH Gaza).
- **69** Civil Defence staff killed while on duty (source: PCD).
- **147** journalists and media workers killed (source: GMO).

REPORTED DAMAGE

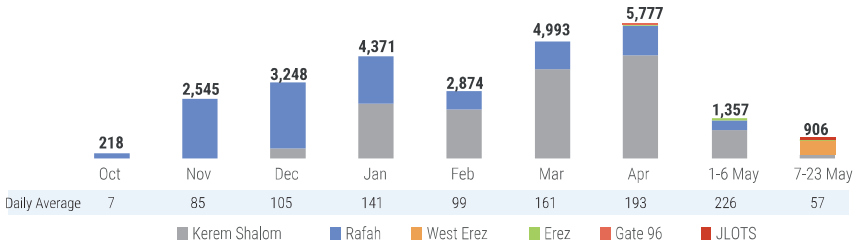
- **>60%** of residential buildings (source: World Bank, as of Jan 2024).
- **>80%** of commercial facilities (source: World Bank, as of Jan 2024).
- **155** health facilities (source: MoH Gaza).
- **172** UNRWA installations (source: UNRWA).
- **130** ambulances (source: MoH Gaza).

MOVEMENT AND ACCESS

- Between 1 and 23 May, **28** humanitarian aid missions to northern Gaza were facilitated by the Israeli authorities, **5** were denied access, **19** were impeded, and **9** were cancelled. Moreover, **83** aid missions to areas in southern Gaza that require coordination were facilitated by the Israeli authorities, **26** were denied, **21** were impeded, and **29** were cancelled.
- **46%** (**5,957** out of **12,761**) of critical patients who submitted requests for medical evacuation have been approved; these include **38%** (**4,895**) who have been medically evacuated abroad. An estimated **700** patients (an average of 50 per day) have not been evacuated since the closure of Rafah Crossing, placing further stress on Gaza's few remaining health facilities (WHO, as of 18 May).

INCOMING TRUCKLOADS*

- The pre-crisis average per working day in 2023 was 500 truckloads, including fuel.



Commercial trucks are not captured in the above totals following 7 May. After 7 May, the UN was unable to directly observe the arrival of private sector cargo at Kerem Shalom crossing due to insecurity. Fuel is not included.

Hostilities in the Gaza Strip and Israel - reported impact | Day 234
