Highlights

1. After Sudan, the DRC¹ is the second country with the largest internally displaced persons in Africa
2. The DRC hosts over 0.5 millions refugees and asylum seekers.
3. Lack of a proper civil registration system puts many at risk of statelessness in the DRC. UNHCR joins the United Nations Legal Identity Program to help the DRC government put in place a strong registration system that is inclusive for all types of populations, ensuring that no one is left behind.
