*Disclaimer:

• This report reflects information available as of the time of publication. The most updated data and more breakdowns are available at ochaopt.org/data.

• In Israel, 13 Israelis were killed by Palestinians from the West Bank in attacks that also resulted in the killing of 11 Palestinians between January 2023 and September 2024. These are counted separately, as this report covers incidents that took place in the West Bank.

• Palestinians or Israelis whose immediate cause of death or the perpetrator's identity remain disputed, unclear, or unknown, are counted separately, so are casualties as a result of friendly fire and Palestinian prisoners from the West Bank who have died in Israeli custody. Figures also do not include UXOs, mishandling of weapons, hit-and-run incidents, and incidents where the perpetrator's nationality is disputed.
