Documented incidents

Around 20 September 2023: In El Fasher city, North Darfur state, the Children's Hospital was reportedly seized by the RSF and designated it as a military operations site. **Source:** [ACLED](#)¹

21 September 2023: In Omdurman city, Khartoum state, staff at Al-Nau Hospital were attacked by the RSF, prompting a cessation of services, and a strike by doctors. **Sources:** [Personal Communication I](#), [Personal Communication II](#), [Radio Dabanga](#) and [Sudan Violations](#)

30 September 2023: In Mayo, Khartoum state, Abulhol Medical Centre was completely destroyed by SAF fighter drones targeted civilians in the area. **Source:** [Radio Dabanga](#)

30 September 2023: In Mayo, Khartoum state, the western side of the Bashair Hospital was hit by SAF missiles. **Source:** [Radio Dabanga](#)

01 October 2023: In Wad Ashana, Khartoum state, the RSF seized hospital wards in the town to accommodate wounded members. **Source:** [Radio Dabanga](#)

03 October 2023: In the El Samrab neighbourhood, Khartoum North, a shell of unidentified origin landed at the health centre of the El Haj Saad Mosque. **Source:** [Radio Dabanga](#)

03 October 2023: In the El Kalaklat neighbourhood, Khartoum, SAF troops stationed at El Amal Hospital confiscated all consumables. **Source:** [Radio Dabanga](#)

This document comprises threats and violence as well as protests and other events affecting the delivery of and access to health care. It is part of the [Attacks on Health Care](#) project by [Insecurity Insight](#). It is prepared from information available in local, national and international news outlets and online databases. The incidents reported are not a complete nor a representative list of all events that affected the provision of health care and have not been independently verified. All decisions made, on the basis of, or with consideration to, such information remains the responsibility of their respective organisations. This document is funded and supported by the Foreign, Commonwealth and Development Office (FCDO) of the UK government through the RIAH project at the Humanitarian and Conflict

Response Institute at the University of Manchester, the European Commission through the 'Ending violence against healthcare in conflict' project and through the project 'Ending violence against healthcare in conflict: documentation, tools, and data-informed advocacy to stop and prevent attacks' funded by the European Union. The contents are the responsibility of Insecurity Insight.
