Syria Situation Report: April 27 - May 14, 2019

By ISW's Syria Team

The following Syria Situation Report (SITREP) Map summarizes significant developments in the war in Syria during the period April 27 - May 14, 2019. The SITREP includes coverage of pro-Bashar al-Assad regime attacks, Iran's consolidation of control along the Syria-Iraq border, local backlash against the U.S.-backed Syrian Democratic Forces, and al Qaeda's affiliate in Syria establishing greater dominance over the remaining forces in Idlib Province.
