Country Report on Terrorism 2019 - Chapter 5 - Islamic State's Khorasan Province (ISIS-K)

Aka Islamic State's Khorasan Province; ISIS Wilayat Khorasan; ISIL's South Asia Branch; South Asian Chapter of ISIL

Description: Islamic State's Khorasan Province (ISIS-K) was designated as an FTO on January 14, 2016. The group is based in Afghanistan, conducts operations in Afghanistan and Pakistan, and is composed primarily of former members of Tehrik-e Taliban Pakistan, the Afghan Taliban, and the Islamic Movement of Uzbekistan. ISIS-K's senior leadership has pledged allegiance to then-ISIS leader Abu Bakr al-Baghdadi, which was accepted in late January 2015. The group has carried out suicide bombings, small arms attacks, and kidnappings in Afghanistan against civilians and Afghan National Security and Defense Forces. ISIS-K has also claimed responsibility for attacks on civilians and government officials in Pakistan.

Activities: In January 2016, ISIS-K claimed a strike on a Pakistani consulate in Afghanistan, resulting in the deaths of seven Afghan security personnel. In July 2016, the group conducted a bomb attack at a peaceful protest in Kabul, Afghanistan, that killed an estimated 80 people and wounded another 230. In August 2016, ISIS-K claimed a shooting and suicide bombing at a hospital in Quetta, Pakistan, targeting lawyers, which killed 94. The group also claimed responsibility for a November 2016 suicide bombing at the Shah Noorani Shrine in Balochistan province, Pakistan, killing more than 50 people.

In July 2017, ISIS-K attacked the Iraqi Embassy in Kabul, killing two people, and bombed a mosque in western Afghanistan, killing 29 people and injuring 60 others. Between October and December of 2017, ISIS-K claimed responsibility for several deadly attacks in Kabul, including those targeting a television station, a Shia cultural center, and an Afghan intelligence office near the U.S. embassy.

ISIS-K also claimed multiple attacks in Pakistan in 2017, including an attack on a Sufi shrine in Sindh province in February that killed at least 88 people, an attack on a church in Quetta that killed at least nine people, and a July attack on an election rally in Balochistan province that killed 149 people. In September 2018, ISIS-K claimed responsibility for a double suicide bombing in a Shiite majority neighborhood in Kabul, leaving more than 20 dead and 70 injured.

In April 2019, ISIS-K claimed responsibility for an attack at the Ministry of Communications in Kabul, killing seven people. In August 2019, ISIS-K claimed responsibility for a suicide bombing at a wedding hall in a Shiite minority neighborhood in Kabul, killing 80 people and injuring 154 others. In October 2019, an ISIS-K bombing of a mosque in Nangarhar province killed at least 70 people. In November 2019, ISIS-K suffered a series of major defeats and lost much of its territory in Nangarhar in the face of attacks by both the coalition and Taliban forces.

Strength: ISIS-K is estimated to have approximately 1,000 fighters.

Location/Area of Operation: Afghanistan, Pakistan, and Central Asia

Funding and External Aid: ISIS-K receives some funding from ISIS. Additional funds come from illicit criminal commerce, taxes, and extortion on the local population and businesses.

ecoi.net summary:

Brief description of the Islamic State's Khorasan Province (Excerpt of chapter 5 of the country report on terrorism 2019)

Countries:

Afghanistan, Pakistan
