the Existence of "Ogoni Solidarity Youth
Movement".**

Dear Joakim,

Thanks for your faxes of 11/08/97 and 18/08/97 regarding the two issues hereabove indicated.

Regarding the "Ogoni Solidarity Youth Movement" -OSYM, it should be noted that no OYSM or any group by such name has been or is an affiliated group to MOSOP. Recall that all affiliated bodies of MOSOP are outlined and defined in the MOSOP constitution.

It is therefore my well informed view that these documents were forged with the sole aim of getting political asylum.
