21 December 2023: In Wad Madani, Al Jazirah state, all health facilities are out of service. **Source:** [Sudan Medical Syndicate](#)

24 December 2023: In Sifeiya, Al Jazirah state, the Kenana Sugar Company (KSC) Hospital is out of service due to SAF bombing in the area. **Source:** [Personal Communication](#)

24 December 2023: In Al Jazirah state, a doctor's wife, his brother's wife, the mother of his nephew's wife and his six-year-old daughter were killed when a car overturned them on the road and attacked them as they were fleeing Wad Madani. **Source:** [Sudan Violations](#)

This document comprises threats and violence as well as protests and other events affecting the delivery of and access to health care. It is part of the [Attacks on Health Care](#) project by [Insecurity Insight](#). It is prepared from information available in local, national and international news outlets and online databases. The incidents reported are not a complete nor a representative list of all events that affected the provision of health care and have not been independently verified. All decisions made, on the basis of, or with consideration to, such information remains the responsibility of their respective organisations. This report is funded and supported by the Foreign, Commonwealth and Development Office (FCDO) of the UK government through the RIAH project at the Humanitarian and Conflict Response Institute at the University of Manchester, by the generous support of the American people through the United States Agency for International Development (USAID) and by the Tides Foundation. The opinions expressed in it do not reflect in any way the position of the UK government, USAID, the U.S. Government or the Tides Foundation who are not responsible for the content expressed in this document.
