Emne: Circular letter n. 1.2019

Dear colleagues,

Following the Italian circular letter dated June 8th 2015, concerning the accommodation for families returned according to the Dublin Regulation, please find the below mentioned information, in accordance with the new Italian law no. 132/2018, which entered into force in 2018.

In terms of reception of asylum applicants (including subjects under the Dublin procedure) and refugees, the new regulation reviews the provisions concerning the SPRAR system, which was renamed System for the protection of beneficiaries of international protection and unaccompanied foreign minors (SIPROIMI), by exclusively reserving the admission to the facilities to:

1. beneficiaries of international protection (subsidiary protection and refugee status),
2. unaccompanied foreign minors,
3. holders of "new" permits of stay of humanitarian character.

Consequently, all applicants under the Dublin procedure will be accommodated in other Centres referred to in Legislative Decree No. 142/2015.

In consideration of the efforts made by the Italian Government in order to strongly reduce the migration flows, these Centres are adequate to host all possible beneficiaries, so as to guarantee the protection of the fundamental rights, particularly the family unity and the protection of minors.

Best regards

Italian Dublin Unit
